Fee Disclosure

As you operate your account, you will incur charges for the services provided. Below is a clear breakdown of the fees that may apply to your account.

Commission

The following commission will be charged on your transactions:
ECN accounts = USD 6 per round turn (open and close) lot traded
Standard accounts = USD 0

Spread

All Contract for Difference (CFD) transactions are subject to a spread cost. The spread is the difference between the bid and ask price, which represents the cost incurred when you open and close a position.

Deposits

If you deposit funds in a currency different from your account's base currency, a currency conversion will be required. This conversion includes:

1. The exchange rate used for the transaction.
2. An additional fee (or 'markup'), which is divided into two categories:
   a. For conversions from USDT to USD: the following tiered additional fees apply:
      1) For values below USD 5,000: an additional fee of 0.5%
      2) For values ≥ USD 5,000 and < USD 10,000: an additional fee of 0.75%
      3) For values ≥ USD 10,000: an additional fee of 1.5%.
   b. For all currency conversions (other than USDT to USD):
      An additional fee (or 'markup') may be charged by us, depending on the payment method and the specific rate we receive from our provider.
